

Privacy Policy Statement - GIFTS Software Inc.

This is an important notice concerning the privacy of your nonpublic personal information. Your privacy is very important to GIFTS Software Inc., ("GIFTS"). This policy statement covers identifiable nonpublic information about the current and former customers of GIFTS.

We understand the importance you place on the privacy and security of nonpublic personal information that identifies you. That is why we at GIFTS are committed to maintaining the confidentiality, integrity and security of our customers' nonpublic personal information.

Our relationship with you is a valuable asset, and in a continued effort to maintain your trust and confidence, we would like you to be aware of our policy to protect the confidentiality and security of your nonpublic personal information. We will provide notice of our privacy policy statement to our customers on an annual basis or as otherwise required by law. GIFTS protects nonpublic personal information in a number of ways.

WHAT INFORMATION WE COLLECT

- We limit the collection and use of nonpublic personal information to what is necessary to administer our business and to deliver services to you. This may include advising you about our products, services, and other opportunities that we believe may interest you.
- Nonpublic personal information we collect refers to information you provide to us verbally or in writing.

HOW WE USE YOUR INFORMATION

- We do not sell, share or disclose, nor do we intend to sell share or disclose any of our customers' nonpublic personal information for marketing purposes to anyone outside of GIFTS Group, which includes its subsidiaries, affiliates and if applicable our parent company.
- We may disclose and share all of the information that we collect, including the types of information described above, among the GIFTS Group.
- We may also disclose or report nonpublic personal information to nonaffiliated third parties as permitted by law, or if it is necessary to effect, administer or enforce a transaction that you have requested or authorized.
- We may also contract with nonaffiliated third parties which provide support services or act on our behalf. Companies that act on our behalf are obligated to keep the information that we provide to them confidential, and to use the information only to provide the services we have asked them to perform.

HOW WE PROTECT INFORMATION

- We will safeguard, according to strict standards of security and confidentiality, any nonpublic personal information our customers share with us.
- We will maintain control over the confidentiality of our customers' nonpublic personal information. We restrict access to nonpublic personal information to those employees who need to know that information to provide products or services to you. Our employees understand the importance of properly handling the confidentiality of nonpublic personal information.
- We maintain physical, electronic and procedural safeguards to protect our customers' nonpublic personal information.

QUESTIONS/COMMENTS
